## Education

### B.E. Computer Science Engineering

GOVERNMENT COLLEGE OF TECHNOLOGY  
2022 – 2025 | Coimbatore, India

### DCSE, Thiagarajar Polytechnic College

2020 – 2022 | Salem, India

## Skills

### Design Tools:

- Figma
- Canva
- Adobe Photoshop
- Adobe Illustrator
- Adobe After Effects

### Development:

- HTML, CSS, JavaScript,
- Python,
- Java,
- SQL

### Other:

- QT Creator
- Git & Version Control
- Prototyping
- Wireframing

## Certifications

- The complete C language by Udemy
- HTML, CSS, Javascript by Infosys Springboard
- K.C.I.R.I internship certificate
- BSNL certificate
- Y's service club as an executive member certificate

## Workshop

- Workshop on JAVA by exterro
- Pixefx conducted by the Rotaract club of GCT Coimbatore & GCT IEEE Student Branch
- Proficiency workshop by Park Global HR
- Inno design workshop - Graphics Design and UI/UX design

## About Me

A proactive and adaptable visual designer passionate about creating **clean, minimal and functional interfaces**. I focus on clarity, hierarchy and user-centered design. Skilled in Figma, prototyping and visual systems with a strong ability to transform ideas into intuitive, modern digital experiences.

## Projects

### ● SMOOTHIE BOWL SLIDING CAROUSEL

#### Tech Stack: FIGMA

- **Swipeable & Clickable Cards** – Allows users to explore different smoothie bowl options effortlessly.
- **Minimalist & Aesthetic UI** – Uses a **vibrant color palette** and **clean typography** for an engaging look.
- **Smooth Sliding Animation** – Ensures a **seamless transition** between slides, improving user interaction.
- **Responsive Design** – Optimized for **both mobile and desktop** views to maintain a consistent experience.

[Live Prototype : Smoothie Bowl Sliding Carousel](#)

### ● GYM MODE – ACCOUNT CREATION UI

#### Tech Stack: FIGMA

- **Step-by-Step Registration** – Guides users through a structured sign-up process.
- **User Input Fields** – Includes fields for name, email, password, fitness goals, and preferences.
- **Password Validation & Security Features** – Ensures strong password creation with validation checks.
- **Profile Setup & Preferences** – Allows users to customize their fitness journey from the start.

## Internship

### ● UI Design Internship Experience at Grafix.ui

#### Tech Stack: FIGMA

Mar 2024 - Apr 2024

- **UI/UX Design & Collaboration:** Created intuitive Kabaddi app interface with modern aesthetics using Figma.
- **Prototyping & User Research:** Refined app through iterative design, user research, and prototyping to enhance user experience.
- [Live Prototype: KABADI APP UI DESIGN](#)

### ● Healthcare Dashboard UI

#### Tech Stack: FIGMA

- **Daily Health Readings** – Displays real-time updates on vitals such as heart rate, blood pressure, and oxygen levels.
- **Comprehensive Health Statistics** – Provides visual charts and insights to help users analyze their health trends.
- **Integrated Calendar & Activity Tracking** – Allows users to schedule check-ups, log workouts, and track daily routines.
